## BIO.AGRO project

TUESDAY 7th MAY

PALEXPO, GENEVA, SWITZERLAND

EDUCATION PROGRAM - SESSION "SUSTAINABILITY  
AND TRACEABILITY MAKING IT WORK FOR YOU"

**BIO.AGRO** is a project financed by Campania Region within the framework "Progetti trasferimento tecnologico e di prima industrializzazione per le imprese innovative ad alto potenziale per la lotta alle patologie oncologiche - Campania terra del buono". **BIO.AGRO project** intend to develop new methods, strategies and tools for bio-products based on beneficial microorganisms and/or their metabolites useful for both biological control and bioremediation of polluted soils. Furthermore, novel fermentation technologies will be implemented using waste obtained from agriculture and food industries.
